

How to sign up to LikeToBe as an educator?

LikeToBe is the online **Career Event Network** for organisations to engage with young people in the United Kingdom.

Frequently asked questions:

1. How do I edit/update my profile?

Click on the edit button right of your logo on your profile page.

2. How do I change the image for the logo and the banner?

While editing your profile, just upload a new image and this will automatically change the logo/banner.

3. How do I invite my students?

You can either click "Invite Followers" on your organisation profile (email addresses) or let your students sign up for themselves and follow your page.

4. What can I add to my timeline?

You can add an image or a video (url from YouTube or Vimeo) in addition to text and links in the text box.

Steps

01

Go to LikeToBe.org and register as an educator.

02

An email will be sent to you, click on the link to complete your personal profile

03

From your personal profile you can now 'create a school / college / University'.

04

Wait for your organisation profile to be approved

05

Complete your organisation profile and invite your students to join the page.

06

Share your page with your network and invite them to join LikeToBe.
